ST. PETER'S C.S.I. CONGREGATION

Parish Messenger May 2006

Presbyter's Letter

My dear friends in Christ.

Mary Magdalene had sinned much. Yet she had loved Jesus much more. When she went to the tomb of Christ, all that she brought to Him was her love, and she was amazed at the sight that met her at His tomb. She ran to the city to seek out Peter and John. They too, were amazed at the sight at His tomb. Christ's cloths were laid out in His tomb as if He had not took them off but as if He had miraculously evaporated from them leaving them behind the way He was laid down there.

To Mary belonged the glory of being the first person to see the risen Christ. Her whole conversation with Him reflects her love for Him. And Christ chooses her as His first messenger, upon resurrection, to go and tell His disciples that He was on His way to His father. She delivered the message in simple yet devastating manner, "I have seen the Lord".

In this message of Mary lies the very essence of Christianity. It tells us that our love for Him must transcend the boundary of merely knowing about Him and reach out to the horizons of knowing him. It tells us Christianity to be enshrined in the experience that bring us face to face with our Lord, risen from the death and living among us. The resurrection of Christ is not a mere historical event to be thought of but to be experienced in contemporary Christian life by knowing Him face to face in our lives.

May the risen Lord be with us during this Easter season.
With Love and prayers
