Parish Messenger March 2008,

Dear brothers and sisters in Christ,

Greetings to you all in the Holy name of our Lord Jesus Christ!

Christ's Resurrection, Celebration of Hope.

Pope John Paul II said, "We are an Easter people. Hallelujah is our song". Yes Jesus is risen from the dead, He lives.

The gloom and despair of the Good Friday was shattered on the Easter Sunday. The church all over the world celebrates the resurrection of Jesus Christ. It is the celebration of joy. Jesus rose from the dead and defeated the powers of evil and death.

Resurrection of Jesus was a celebration of joy for all those who loved Him. The risen Lord confirmed their faith in Him as the messiah. The fear despair, disillusionment and hopelessness that followed the crucifixion event were all vanished instantaneously with the spreading of the news of Jesus resurrection. It brought the message of hope. In our day -to day life, in secular as well as spiritual life, the risen Lord can fill our life with joy and transform us in to one with abundant life.

As the psalmist says "You protect me from the power of death. I have served you faithfully, and you will not abandon me to the world of the dead. The risen Lord gives us life, and we are liberated from death eternally.

Six children from our congregation are leaving Kuwait for their higher studies. Let us pray that the Lord will give them wisdom and understanding to face the true realities in life.

**I WISH YOU ALL A MEANINGFUL EASTER
GOD BLESS YOU**
