Parish Messenger- September 2007

Dear Brothers and Sisters,

Greetings in the precious name of our Lord Jesus Christ.

The birth of the church of South India is known as the second Pentecost experience. September 27, 1947 should be engraved in golden letters in the annals of the Indian church history, because on that day the 4 diverging Christian traditions namely Anglicans, Congregationalists, Methodists and Presbyterians came together to form a unique, united and uniting church in India. The barriers of creed and credentials, color and caste, rich and poor of our Master and the church of South India accepted its watch word "That they all be one" found in John 17: 21. This organic unity is primarily meant for fellowship and service. We are called to be co-workers with God in order to fulfill the Nazareth Manifesto. The church is a called out community to be actively involved in God's mission.

United for Fellowship:

The bible says the need and relevance of unity among God's children. Neh 2: 17 – 20 speaks of the rebuilding of the broken walls of Jerusalem. Nehemiah says, "The God of Heaven will help us and we His servants will rebuild this wall." 2: 20a. Fellowship with God and Fellowship with one another are the basic tenets of the church. The first century Christians were the classic example for this kind of fellowship. (Acts 2: 44). As we celebrate the CSI formation day, Let us once again re-dedicate ourselves for better fellowship.

As we celebrate the 60th anniversary of the inauguration of the church, let us thank God for joining us together in the great church of CSI and also pray that we may ever remain as faithful members of this church to bear witness to the Lord.

As schools reopen in this month, may God guide our students and teachers. Wish them all the best and God's Blessings. May God's blessings be upon you.

Kuwait

Yours in His Service
