Presbyter's Letter

Dear Brother's and Sisters,

Greetings in the precious name of our Lord Jesus Christ.

During these weeks after the Pentecost we shall be considering various aspects of Christian life or meditating upon the things that would help us to grow in Christian life. The Christian life is dynamic. It should keep on moving, developing, and growing. The Christians life is a life of spiritual journey; we have an unfailing guide, who can accompany us all the way. This is none other than Jesus Christ. He is God with us, Immanuel, and ever-present help and comfort in any situation in our pilgrimage. God, who likes to walk with us in our everyday life. In fact the whole point of the incarnation is to show people what a loving and considerate a God they have, a God with a human face.

He showed us that if we are to journey with Him, we have to discard all our pride, pretence, and prejudice for He hates these things. Most of all, our hypocrisy. He wants us to be genuine in our faith and in our walk; we must have implicit faith and trust in the way of life that He taught and showed us. It is a life exemplifying unconditional love for others, meticulous Holiness, and a world embracing compassion, of course such a life in His case ended up on the cross. The secret of success in Christian life is a close relationship that we must maintain with the Lord Jesus Christ. It is a relationship that is way beyond any that we can forge with any human being or idealistic ambition. It calls for a life long fidelity and commitment to Him on our part and a deep desire to be in constant communication with Him through worship, prayer, and meditation.

We have the pillar in Jesus Christ for our guidance and protection all the way. Let us therefore constantly grow up in Christian life.

Kuwait Yours in His Service
